

Record of Occurrence 03-05-15

To Whom It May Concern:

The intent of this memo is to educate all parties involved that may be asked of occurrences on the evening of 03-05-15. AEP experienced an outage around 6:45 p.m. that affected a small portion of our service territory. Due to the severity of danger in restoring this outage at approximately 9:00 p.m. they opened up reclosers that supplied power to our entire service area, resulting in an approximate 15 minute outage for all Town customers.
