Electric Superintendent Jason Quirk presented his concerns regarding existing lighting.

An arborist from Kachur Tree was contacted to look at the Town Christmas Tree. He reports that the tree is dying and within approximately two and a half years the tree will be completely brown all the way to the top. Greg Dudeck of Dudeck's Christmas Trees has offered to donate a twelve foot conifer to replace the existing tree. Greg has also volunteered to trim and maintain the tree for eight years.

The holiday lighting will be added to the September 8th agenda for further discussion.
