

**New Carlisle Town Council Work Session Memoranda, December 8, 2015**

The work session began at 6:10 PM

Present were President Higgins, Vice President Vojtko, Council Member Gelow, Council Member Carter, Council Member Rypma and Clerk Treasurer Sue Moffitt.

Also in attendance were Chuck Leone, Tim Kaminski, Jason Quirk, John Mrozinski, Jared Huss and Jill Doll.

Jason updated the Council on a recent meeting with members of the consortium the town belongs to that negotiates our purchased power. They have, as a group, decided to reach out to other electric wholesalers in an effort to purchase at a lower cost. They are only exploring options and we are currently under contract with I&M and the soonest we would be able to get out of that contract would be four years.

Tim Kaminski presented five quotes for pick-up trucks complete with plows. There was some discussion on the need for two trucks at the water treatment plant and take home vehicles.

Upon a motion to adjourn by Council Member Rypma and second by Council Member Carter the meeting was adjourned at 6:36 PM.
